

2015 Area 5 Bowling Tournament

The Area 5 Bowling Tournament is scheduled for **October 10 and 11, 2015** at Santa Ana. We will be running the tournament in 4 sessions and you will need to select the session that works best for you. You are not guaranteed to compete in the session you choose because we will need to provide a balance of athletes in all four sessions. Some of you will be scheduled to compete on Sunday. There is no way around this unless participant numbers are down and we are able to eliminate the session. If you would prefer to bowl on Sunday, please mark your preference below. Please rank the session in the order of your preference and I will make every effort to honor your first request. Athletes entered into singles competition will bowl three games, while athletes in ramp and assisted ramp will bowl two games. Ramp bowling will be offered in every session.

This is a supplemental registration form for Area 5 **only**, you still need to submit the standard registration that can be accessed at: http://www.sonm.org/dept_two.php?info_id=53

If you have questions or concerns, email me at chrispage@sonm.org.

- *Lunches will not be provided so please make other arrangements, especially those competing in Session I and Session II.*
- *I want to remind all of you that you should be practicing league style with the foul line on. We will not modify this to accommodate those who are not training properly.*

Please return this form with your area/state registration materials. Everything is due in the Chapter Office by **October 1, 2015**.
