

Dear Local Coordinator/ Head Coach:

Enclosed is the 2017 SONM Poly Hockey State Championship registration packet. The event is scheduled in Farmington on February 24-25, 2017. Each delegation will be assessed \$10.00 per person listed on the registration packet. Please keep in mind that the deadline for scratch refunds is **February 15, 2017**. Any scratches received after that date will not be refunded.

Please give your immediate attention to the Area competition dates and registration deadlines. The season officially opens on **December 31, 2016** so now is the time to finalize your facility agreements, gather your rosters, and to make sure you have all of your athlete's medicals updated. All teams are eligible to start practices at anytime before the official season begins.

Each delegation **MUST** have at least one referee trained and registered with the team. If you have more than one team, you should have a minimum of two referees. The responsibility of officiating both Area and State level tournaments has fallen to a few delegations to carry the load and it is time other delegations fulfill their responsibilities.

For the Love of the Game

Chris Page
Director of Sports Competition and Program
