

Special Olympics
New Mexico

We are excited to inform all of you that Cliff's Amusement Park will be hosting the Special Olympics Day at Cliff's once again. All Athletes will receive a free ride pass that is valid on **May 20th** only. SONM will ensure that all officially registered members of your delegation will also receive a ride pass. Family members, guardians, staff and any other people associated with your delegation, but are not registered as part of your official Summer Games delegation, can purchase ride passes at a drastically reduced price of **\$22.00**. The regular cost at the gate is \$34.99 plus tax so this is a great value. These tickets must be purchased on or before **4:00 pm on May 19th** to take advantage of the discounted rate. If the deadline is missed, the regular admission rate will be charged.

It is important to note that Cliff's Amusement Park no longer offers a General Admission Pass, so anyone who enters the park, even if they will not be riding the rides, will be required to pay the \$22.00 reduced admission fee before the May 19th, 4:00 pm Deadline.

The reduced price is also available to all SONM volunteers, Games Management Team, Sponsors and their families.
