

2024 Golf Classic Recap

On behalf of our 3,200 Special Olympics New Mexico athletes, thank you to all of the 2024 Golf Classic participants and community partners for supporting the tournament this year. Despite a rainy start, the tournament was a success and turned out to be a beautiful day.

Your support means so much to our athletes. The chance to be on a team, feel accepted for who they are and simply have something in life to look forward to makes all the difference in the world to them. Our athletes need us more than ever, and your participation helps us fill the gap with moments of joy and celebration that no one else can provide.

Because you played in our Golf Classic, we are proud to report that we raised a net total of \$60,000, which is a reason for celebration.

We hope you will consider joining us next year. Save the date: Monday, September 15, 2025
