

GET INVOLVED

At FUNfitness screenings, we learned that a large percentage of Special Olympics athletes in the U.S. have the following health related concerns:

- 71% have flexibility problems
- 73% have balance problems
- 56% have strength problems

Where

University of New Mexico Stadium
East Parking Lot
1800 Avenida Cesar Chavez SE
Albuquerque, NM 87106

When

Summer Games

Saturday, May 31st, 2025
9:30 a.m. – 2:00 p.m.

Special Olympics New Mexico FUNfitness

Healthy Athletes provides free medical screening and education for people with intellectual disabilities. FUNfitness is the physical therapy component of Healthy Athletes. FUNfitness athletes are assessed on their balance, strength, flexibility and endurance.

Volunteers are needed!

Physical Therapists and students going into related fields are recommended!
