

2025 Golf Classic Recap

Many Thanks to our Community Partners

Please share results with team members

The SONM Golf Classic Committee would like to thank you personally for your support and participation in our tournament held at Santa Ana Golf Club.

We hope you know and understand how much your support means to our athletes and families. The chance to be on a team, feel accepted for who they are and simply have something in life to look forward to makes all the difference in the world to them. Our athletes need us more than ever, and your participation is helping us fill the gap with moments of joy and celebration that no one else can provide.

Thanks to your support, we are proud to share that we raised a net total of **\$62,000!** We hope you will join us again next year!

2026 Save the Date: Monday, September 21, 2026 - More details to follow
